

Volunteer On-line Training

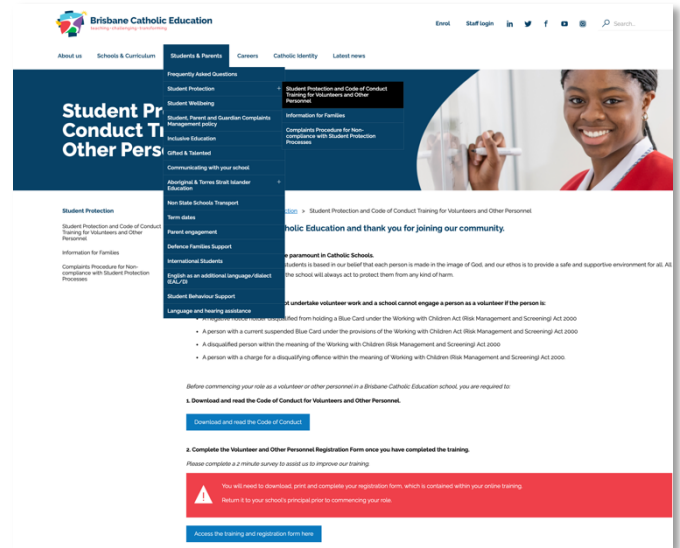

Our commitment to the protection of students is based in our belief that each person is made in the image of God, and our ethos is to provide a safe and supportive environment for all. All students have the right to expect that the school will always act to protect them from any kind of harm.

Become a Volunteer

Please [click here](#) or visit bne.catholic.edu.au and go to the *Students and Parents* tab then *Student Protection* for further training.

Once you are on the Brisbane Catholic Education website you will be required to:

1. Download and read the Code of Conduct for Volunteers and Other Personnel.
2. Complete the Volunteer and Other Personnel Registration Form once you have completed the training.
3. You will need to download, print and complete your registration form, which is contained within your online training. Return it to your school's principal prior to commencing your role.

At School Induction

As part of our obligations and commitment to the protection of students, new families will also be required to attend a short Volunteer Induction session at school with the Principal (dates and times will be provided in our school newsletter). You will also be asked to become familiar with our Volunteer Induction Handbook and other school documents.

Coming to School

Each time you visit St Benedict's Primary School to work as a volunteer, you are required to sign in as a volunteer at the school Office. Please remember to sign in via the Office before moving to other areas of the school.

Kind regards,
Patrick Davis – Principal
